

California Department of Fish and Wildlife February 2021

CALIFORNIA'S KNOWN WOLVES – PAST AND PRESENT

OR-93, a male wolf from northern Oregon, initially entered Modoc County on January 30, 2021. After briefly returning to Oregon, OR-93 reentered Modoc County on February 4. He entered Lassen County on February 10. OR-93 was collared by the Oregon Department of Fish and Wildlife (ODFW) in June 2020 and is believed to have been born in 2019. He dispersed from Oregon's White River pack.
